TUZLA

GRAD LJUBAVI / GRAD SPORTA
CITY OF LOVE / CITY OF SPORT

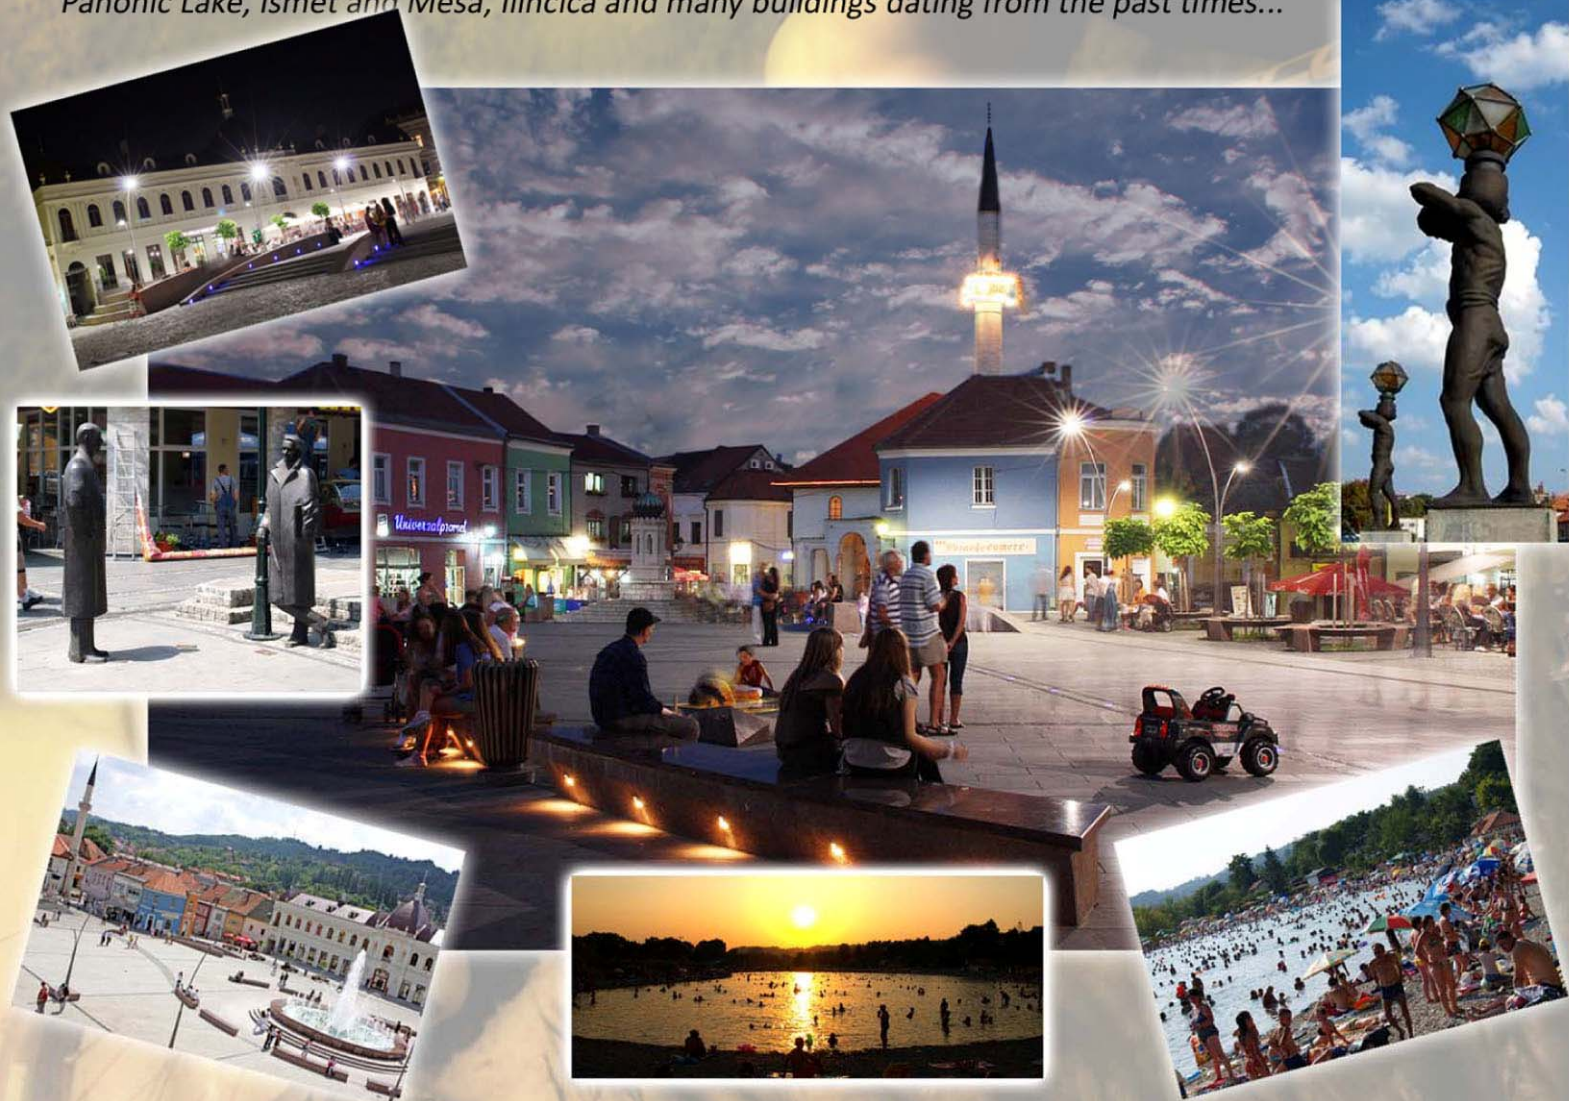

Tuzlanski kanton krasi prirodna i kulturna naslijeđa. Flora i fauna, termalna i mineralna izvorišta, prirodna i vještačka jezera, bogato kulturno-historijsko naslijeđe... su razlozi da ove prostore posjetite i da se na ovim prostorima ugodno osjećate.

Tuzla je jedno od najstarijih naselja u Evropi sa kontinuitetom življenja. U Tuzli je i jedino slano jezero u Evropi, koje je trag Panonskog mora. O tom tragu i minulim vremenima svjedoče Soni trg i Arheološki park sa sojeničkim naseljem. Tuzla ima i Gornju Tuzlu, Slanu Banju, Kapiju, Pannonicu, Ismeta i Mešu, Ilinčicu, građevine iz minulih vremena.

Tuzla Canton is adorned with natural and cultural heritage. Flora and fauna, thermal and mineral springs, natural and accumulation lakes, rich cultural-historical heritage... are the reasons to visit and feel comfortable in this area.

Tuzla is one of the oldest settlements in Europe with the continuity of living. Tuzla has the only salt lake in Europe, the lake is the trace of the Panonic Sea. Soni trg and Archelological park with its lake-dwelling community represen the actual traces of the past times. Tuzla ima Gornja Tuzla, Slana Banja, Kapija, Panonic Lake, Ismet and Meša, Ilinčica and many buildings dating from the past times...

Tuzlanski kanton zahvata prostor sjeveroistočne Bosne, površine 2.730 km², na ovom području živi oko 600.00 stanovnika. *The Tuzla Canton spreads over the territory of north-east Bosnia, with the surface of 2730 square kilometers, the population of this region is about 600.000.*

Tuzlanski kanton ima brojne hotele, motele, pansione, restorane i druge ugostiteljske objekte u kojima se pripremaju i poslužuju domaći specijaliteti: tradiciionalna jela sa roštilja, ćevapi, ražnjići, sudžukice, kuhana jela, sogandolme, begova čorba, šiš-ćevap, bamja, pite, baklave, tufahije, hurmašice... A, kad sve ovo prati etno-muzika i sevdalinka, eto razloga da dođete, pamтите, i... ponovo dođete.

DOBRI LJUDI, DOBRI TUZLACI, DOBRI DOMAĆINI - OTVARAJU I KUĆU I DUŠU PUTNICIMA, NAMJERNICIMA I NE PITAJU ZA VJERU I NACIJU. I ZATO: BUJRUM, DOBRO DOŠLI, WELLCOME, WILLKOMEN...

Tuzla Canton has many hotels, motels, pensions, restaurants and other catering places which are specialized for preparing and serving home-made specialites: traditiional grilled meals, grilled meat with bread, (ćevapi), kebab, (ražnjići), smoked, mutton and beef sausage (sudžukice), cooked meals, onions filled with minced meat (sogandolma), thick vegetable soup, (begova čorba), shish kebab (šiš ćevap), okra (bamja), pies, baklava, sugar-covered pastry (tufahija), date-shaped Turkish pastry (hurmašica)... And when this is accompanied by ethno-music and traditiional love-songs there you have one more reason to come, remember and.. come again ti this area.

NICE PEOPLE, GOOD BOSNIAN PEOPLE, GOOD HOSTS OPEN THEIR HAUSES AND SOULS TO GUEST-TRAVELERS, AND DO NOT ASK ABOUT RELIGION AND NATIONALITY. THEREFORE:BUJRUM (BOSNIAN TRADIOTIONAL WELCOMING WORD), DOBRO DOŠLI (BOS.WELLCOME), WELLCOME, WILLKOMEN...

Tuzla je grad ljubavi, grad sporta. Proteklih nekoliko godina, Tuzlaci, Bosanci i Hercegovci su se tri puta upisali u Ginisovu knjigu rekorda. Prvi put sa najmnogoljudnijim poljupcem, zatim plešući valcer, da bi treći put to uradili u aerobiku u vodi. Tuzla je jedan od rijetkih gradova gdje se ne pita za ime i prezime, gdje se ne pita ko je odakle. To je grad gdje se u isto vrijeme čuje ezan sa džamije, zvona sa katoličke i pravoslavne crkve.

Tuzla is a city of love, city of sport. Over the past few years, people from Tuzla from Bosnia and Herzegovina were signed in three times in the Guinness Book of Records. First time that was in the largest simultaneous kiss, then in the largest Waltz, and the third time in the aqua aerobics. Tuzla is one of the rare cities where nobody ask for a name, where nobody ask who's from where. That is a city where you can hear at the same time the adhan from the mosque, the bells of the Catholic and Orthodox churches.

The image features a central Guinness World Records logo, a blue circle with a gold star and the text 'GUINNESS WORLD RECORDS'. Surrounding it are several Guinness World Records certificates and promotional posters. On the left, a certificate for 'everybody WALTZ now!' is visible, with the text 'let's dance into the Guinness world record. TUZLA, may 7th'. Below it, another certificate for 'Ginisov rekord u valceru' (Waltz record) is partially visible. On the right, a certificate for 'DON'T MISS THIS KISS! NE PROPUSTI OVAJ POLJUBACI!' (Don't miss this kiss!) is shown, with the text 'Tuzlaci poljupcima oborili GUINNESSOV REKORD' and 'Poljubac 6.980'. Below the Guinness logo, there are two promotional posters. The one on the left is for 'LeTz aqua dance' and 'SURVIVOR PARTY', featuring a cartoon character and the text 'OBORIMO GUINNESSOV REKORD PO TREĆI PUT PANNONICA petak 23.9.'. The one on the right is for 'LeTz aqua dance' and 'SURVIVOR PARTY', featuring a cartoon character and the text 'OBORIMO GUINNESSOV REKORD PO TREĆI PUT PANNONICA petak 23.9.'.

SPORT IN TUZLA

Sport je jedna od jačih strana u Tuzli, zaštitni znak ovog grada. U bivšoj Jugoslaviji, Tuzla je bila jedan od najvećih sportskih gradova. Posebno se ističe fudbalski klub Sloboda, zatim košarkaški klub Sloboda koji je godinama punio dvoranu Mejdan i dovodio najveće sportske evropske klubove. Ništa manje nisu vrijedni ni atletičari, biciklisti, plivači, rukometaši, karatisti i mnogi, mnogi drugi. Ipak, najveći od najvećih su Zlatan Saračević, evropski prvak u atletici - bacanje kugle, tuzlanske košarkašice koje su osvojile davnih osamdesetih naslov prvaka Evrope. U Tuzli su bile organizovane velike manifestacije svjetskog, evropskog, balkanskog i međunarodnog karaktera. Nažalost, mnogi od ovih velikih sportskih klubova sa bogatom istorijom danas su na rubu egzistencije i najteže su osjetili ekonomsku krizu.

Radujemo se i ponosni smo što ćemo u Tuzli proširiti sportske manifestacije, što ćemo organizovati UCI MTB SALCANO međunarodnu trku. Biciklizam je jedan od najboljih sportskih grana u našem gradu. U regionu imamo 6 biciklističkih klubova i to: BK „Zmaj od Bosne“, BK „Jedinstvo“, BK „Extreme“, BK „Živinice“, BK „Gračanica“, BK „Lukavac“.

BK „Zmaj od Bosne“ organizuje tradicionalnu međunarodnu biciklističku trku „Tuzla 25.maj“, koja se organizuje od 1996. godine, i ove godine će biti organizovana po sedamnaesti put.

Sport is one of the strengths of Tuzla, a trademark of this city. In the former Yugoslavia, Tuzla was one of the greatest sports cities. Especially prominent is football club Sloboda, then basketball club Sloboda which filled the hall Mejdan for a years and host the largest European sports clubs. No less valuable are athletes, cyclists, swimmers, handball, karate, and many many others. However, the greatest of the greatest are Zlatan Sarajevecic European champion in athletic - throw balls, as well as women basketball players who won the European championship in the eighties. Major events of World, European and Balkan international character were organized in Tuzla. Unfortunately, many of the major sports clubs with a rich history are now on the edge of existence, and feel the most difficult economic crisis.

We are very proud and looking forward to expand sport events in Tuzla, to organize a UCI MTB SALCANO international race. Bicycling is one of the best sporting discipline in our city. In the region we have 6 Cycling Clubs: Zmaj od Bosne, Jedinstvo, Živinice, Gračanica, Lukavac, Extreme

CC Zmaj od Bosne organize traditional international cycling race Tuzla 25.Maj, which has been organized since 1996, and this year will be organized by the seventeenth time.
